Explore the Virtual Adventure Center from October 23 to November 23 to learn how you can get — and stay — on track before and after retirement.

Visit **phoenixdcp.com** or call **602-266-2733** for more information.

Attend our workshops during the Expo:

Asset Allocation — 9:30 to 10:30 a.m.
Asset allocation can make a difference. Learn more about investment risk, how to manage investment risk and how to use asset allocation to your advantage.

Myths and Realities — 11 to 12 p.m.
Navigate through the myths of retirement, explore its realities and understand the resources available to you.

Back to Basics — 1:30 to 2:30 p.m.
Learn more about your potential retirement savings options, the advantages of the plans and what you need to know about the plans and your money when you retire.

Using diversification and asset allocation as part of an overall investment strategy does not guarantee to make a profit or avoid loss in a declining market, nor does it eliminate risk.

This material is not a recommendation to buy or sell a financial product or to adopt an investment strategy. Investors should discuss their specific situation with their financial professional.

Investing involves market risk, including possible loss of principal, and there is no guarantee that investment objectives will be achieved.
